### PART II TEACHING PLAN

#### Introduction

**ATTENTION:** This drill session we are going to practice having a cadet command the flight/squadron.

**MOTIVATION:** Do you, as an individual, believe that you are sufficiently knowledgeable to perform the movements correctly and confidently?

**OVERVIEW:** The review and practice will allow the cadet leader to know which commands still needs work.

**TRANSITION: FALL IN!**

#### Body

**NOTE:** The instructor may use any cadet to fill any of the flight/squadron leadership positions.

The cadet leader will drill the flight using all the appropriate commands and procedures previously taught as listed below. If any command or movement is done incorrectly, corrective action and instruction will be accomplished. Make note of areas needing additional work and which cadets need more practice.
